

# Vision

Unrivaled team commitment to promoting a standard of excellence in patient-centered care.

# Values

**Compassion** Responding to our community and employees with respect, care and empathy

- ◆ Consistently showing respect and courtesy through our actions and care
- ◆ Anticipate and respond to the needs of our patients, family members, caretakers and co-workers
- ◆ Recognizing that each individual has different needs by actively listening to identify and understand them

**Teamwork** Working together to achieve a common goal of excellence through patient care

- ◆ Demonstrates initiative and professionalism at all times, prompted and unprompted, to build team strength
- ◆ Assuring thorough training is completed to achieve excellence and promote success in the integration process
- ◆ Effectively communicating goals, challenges and solutions
- ◆ Encourages, recognizes and respects divergent ideas and opinions—Thinking outside the box!
- ◆ Fostering an environment that is conducive to positive attitudes, camaraderie, and celebrates the contributions and achievements of individual team members

**Inspiration** Creating a framework that provides a hopeful and successful experience through innovative care

- ◆ Striving to provide a higher quality of life for our community through love, care and education
- ◆ Uplifting our patients and peers to remain optimistic and hopeful through our actions, words and outreach
- ◆ Embracing new ideas and challenges with breakthrough medical technology

**Trustworthy** Holding ourselves to a higher standard through integrity, loyalty, and consistency within our values

- ◆ Proactively seeks to maintain a high standard of clinical and financial accuracy
- ◆ Striving to do the right thing in difficult times and situations, always remembering to remain compliant to a standard of ethics and all governing bodies
- ◆ Holds self and others accountable for their commitments as well as their actions and outcomes
- ◆ Building trust through clear communication with honest feedback

**Dedication** Motivated and committed by the desire to improve our environment through continuing education and cutting-edge technology

- ◆ Remembering our responsibility to our patients and assure them that as their provider we will exhaust all options in efforts to improve their quality of life
- ◆ Demonstrates passion by promoting a positive, caring environment for our patients, community, and co-workers
- ◆ Responsive to the needs of individual financial situations and responding with solutions not barriers
